

2025 MEMBERSHIP AND PROGRAMS

WHO ARE WE?

The **France-Philippines United Action Foundation (FPUA)** is a Philippine-based non-profit organization established in response to Typhoon Haiyan in 2013.

Created by the **French Chamber of Commerce and Industry in the Philippines (CCI)** and the **Embassy of France to the Philippines**, FPUA was formed to coordinate the rehabilitation efforts of French companies.

Since then, it has evolved into a platform that supports sustainable development programs, bridging the private sector and NGOs to serve vulnerable communities.

OUR MISSION

FPUA connects companies with NGOs to develop impactful **CSR initiatives** that support underprivileged communities through programs in **Education, Health, Environment, and Livelihood**.

OUR VISION

FPUA supports **sustainable, high-impact projects** that strengthen **France-Philippines relations** through public-private partnerships and aligned CSR initiatives.

METHODOLOGY

BUILD YOUR OWN CSR PROGRAM WITH US OR JOIN CURRENT PROGRAMS

Initial Consultation

Our team will schedule a meeting to understand your organization's CSR objectives and identify how these align with FPUA's mission to support vulnerable communities through programs in Education, Health, Environment, and Livelihood.

Membership Enrollment

Choose from our structured membership tiers based on your desired level of involvement. Upon enrollment, your organization gains access to FPUA's network, ongoing programs, and strategic CSR opportunities.

Program Alignment

Select from our existing CSR initiatives such as the Youth For Dagat Program, Educational Assistance Program or work with us to co-design a program aligned with your values, timeline, and target impact area.

Program Implementation

FPUA handles full coordination, from community engagement to partner collaboration and logistical management. Your team is encouraged to participate through direct volunteering or other modes of engagement.

Reporting & Continued Engagement

Following implementation, your organization will receive a detailed impact report, including key outcomes, beneficiary feedback, and documentation. Members are also recognized across FPUA's platforms and are given priority access to future partnership opportunities.

MEMBERSHIP PACKAGE

Drive Change Across Multiple Advocacies

Each membership package enables your organization to create lasting impact across multiple pillars such as education, environment, health, and livelihood, ensuring your support is both broad and transformative.

EDUCATION

Educational Assistance Program

Support the future of 12 scholars from Cebu, guiding them from grade school to college graduation. In partnership with Children of Asia, this program provides full academic, financial, and personal support. Regular updates ensure you stay connected to the progress of each student.

ENVIRONMENT

Coastal Clean Up, Mangrove Planting, Etc.

Take part in restoring nature through impactful actions like coastal cleanups, mangrove and tree planting. These activities protect ecosystems and engage local communities in climate resilience efforts.

HEALTH

Feeding Program

Help nourish communities through a feeding program. Surplus food is transformed into nutritious meals for families in need, fighting hunger while reducing food waste.

YOUTH & LIVELIHOOD

Youth for Dagat Program

Support inclusive livelihood programs and youth empowerment initiatives like Youth for Dagat, which engages students in the circular economy and environmental innovation. Contributions fund skills training and enterprise development, equipping young people and communities with tools for sustainable success.
